

Happier Than The Morning Sun

B.J. Thomas

I'm happier than the morning sun
And that's the way you said that it would be
If I should ever bring you inside my life.

I'm happier than the morning sun
And that's the way you said that it would be
If I should ever bring you inside my life.

All my life I was alone,
Didn't think I'd find my part,
Now I see there's joy inside your arms.

Every day I searched for the star,
That never was in the sky,
And now I see this star is on earth.

And I'm happier than the morning sun
And that's the way you said that I would be
If I gave you a chance to come inside my life.

And I am happier than the morning sun
And that's the way it will always be
Ever since the day you came inside of my life.

Bom bom bom bom bom bom bom bom
Bom bom bom I love you.

Bom bom bom bom bom bom bom bom
Bom bom bom I love you.

And I'm happier than the morning sun
And that's the way you said that it would be
If I should ever bring you inside my life.

I'm happier than the morning sun
And that's the way you said it would be
If I should ever bring you inside my life.

Bom bom bom bom bom bom bom bom
Bom bom bom bom bom bom

Bom bom bom bom bom bom bom bom
Bom bom bom I love you.

Bom bom bom bom bom bom bom bom

Bom bom bom I love you.

Happier than the morning sun
That's the way you said it would be
If I should ever bring you inside my life.

I'm happier than the stars above
That's the way you said that it would be
If I should ever bring you inside of my life.

I believe that everyone should be

Happier than the morning sun
Happier than the morning sun
Happier than the morning sun
Happier than the morning sun
