

# Hey Jesus, You're My Best Friend

B.J. Thomas

You almost have to lose your mind  
To find yourself sometimes  
You have to close your eyes to see

Just when I thought I'd reached the end  
You let it all begin  
You made it easy to be me

You're the wall I hide behind  
You shelter me from time to time  
You're reaching out  
When I feel like giving in  
You're the door that I walk through  
When I need someone to turn to  
Hey Jesus  
You're my best friend

You're the only one  
I've ever found  
That didn't give up  
When I let 'em down  
I guess that's how love's supposed to be  
When there's no one else around  
I fall down to the ground  
I feel so tall down on my knees

You're the wall I hide behind  
You shelter me from time to time  
You're reaching out  
When I feel like giving in  
Oh, you're the door that I walk through  
When I need someone to turn to  
Hey Jesus  
You're my best friend

Hey hey Jesus  
You're my best friend
