

I Need To Be Still (And Let God Love Me)

B.J. Thomas

I need to be still and let God love me
I need to be still and let God love me
When this old world starts to push and shove me
I need to be still and let God love me

I need to relax and let God take over
I need to relax and let God take over
He'll take this load off my shoulders
I need to relax and let God take over

When there's trouble all around me
And my soul cries out for rest
When I feel that I'm falling
Even though I've done my best
When decisions get so heavy
And there are answers that I need
I know it's time to just be still and let
God love me

I need to be still and let God love me
I need to be still and let God love me
When this old world starts to push and shove me
I need to be still and let God love me

I need to be still and let God love me
I need to be still and let God love me
When this old world starts to push and shove me
I need to be still and let God love me
