

# I Want To Be More Like Jesus

B.J. Thomas

What kind of man  
Would wash men's feet  
Get pushed around  
Then turn the other cheek  
I want to be more like Him  
Everyday  
In every way

So little time  
He took for Himself  
He was more concerned  
For everybody else  
I want to be more like Him  
Everyday  
In every way

I want to be more like Jesus  
That's why I've put my life in His hands  
I want to be more like Jesus  
And with His help I know that I can

As tears of pain  
Fell from His eyes  
He prayed for those  
Who had him crucified  
I want to be more like Him  
Everyday in every way

I want to be more like Jesus  
That's why I've put my life in His hands  
I want to be more like Jesus  
And with His help I know that I can

Ohhhhh,  
I want to be more like Jesus  
That's why I've put my life in His hands  
Ohhh ohhhh  
I want to be more like Jesus
