It's Sad To Belong

B.J. Thomas

Met you on a springtime day You were mindin' your life And I was mindin' mine too Lady when you looked my way I had a strange sensation And darlin' that's when I knew

That it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

Oh I wake up in the night And I reach beside me hopin' you will be there But instead I find someone Who believed in me when I said I'd always care

Oh it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

So I lived my life in a dream world For the rest of my days Just you and me walkin' hand in hand In a wishful memory Oh I guess that's all that it would ever be

Wish I had a time machine I could Make myself go back until the day I was born And I would live my life again And rearrange it so that I'd be yours from now on

Oh it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

Oh it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

Oh it's sad Oh it's sad Oh it's sad Oh it's sad
