

Statue Of A Fool

B.J. Thomas

Somewhere there should be
For all the world to see
A statue of a fool made of stone
An image of a man
Who let love slip through his hands
And then just let him stand there all alone

And there on his face
A gold tear should be placed
To honor the million tears he's cried
And the hurt in his eyes would show
So everyone would know
Concealed is a broken heart inside

So build a statue
Oh oh build it high
So that all
All the world can see
Then inscribe The World's Greatest Fool
And name it after me
