

# Statue Of A Fool

B.J. Thomas

Somewhere there should be  
For all the world to see  
A statue of a fool made of stone  
An image of a man  
Who let love slip through his hands  
And then just let him stand there all alone

And there on his face  
A gold tear should be placed  
To honor the million tears he's cried  
And the hurt in his eyes would show  
So everyone would know  
Concealed is a broken heart inside

So build a statue  
Oh oh build it high  
So that all  
All the world can see  
Then inscribe The World's Greatest Fool  
And name it after me
