

Suspicious Minds

B.J. Thomas

We're caught in a trap
I can't walk out
Because I love you too much baby

Why can't you see
What you're doing to me
When you don't believe a word I say

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

So if an old friend I know
Stops by to say hello
Would I still see suspicion in your eyes

Here we go again
Asking where I've been
Can't you see these tears are real
I'm crying

We can't go on together
With suspicious minds
And we can't build our dreams
Because suspicious minds

Won't let our love survive
Or dry the tears from your eyes
So let's don't let a good thing die
When honey you know I've never
Lied to you
Mmm mmm yeah yeah

We're caught in a trap
I can't walk out
Because I love you too much baby

Why can't you see
What you're doing to me
When you don't believe a word I say

Now don't you know we're caught in a trap
I can't walk out
Because I love you too much baby

Now don't you know we're caught in a trap
I can't walk out
Because I love you too much baby

Whoa don't you know that we're caught in a trap
I can't walk out
Because I love you too much baby

Now don't you know that we're caught in a trap
I can't walk out
Because I love you too much baby

Now don't you know we're caught in a trap
Now girl
I know can't walk out
Because I love you too much baby

Now don't you know we're caught in a trap
Now girl
I can't walk out
Because I love you too much baby

Now don't you know we're caught in a trap
I know I can't walk out
Because I love you too much baby

We're caught in a trap
I know I can't walk out
Because I love you too much baby

We're caught in a trap
I know I can't walk out
Because I love you too much baby

We're caught in a trap
Ohh I can't walk out
Because I love you too much baby

We're caught in a trap
Now baby
I know I can't walk out
Because I love you too much baby
