

# Thank You Lord

B.J. Thomas

Thank you my Lord  
For a beautiful day  
Thank you my Lord  
I'm so happy to say  
Thank you my Lord  
For the flowers that grow  
There would be nothing I know  
Without You

Thank you my Lord  
For the sun in the sky  
Thank you my Lord  
I'm so grateful that I  
Thank you my Lord  
For the rivers that flow  
There would be nothing I know  
Without You

For all the music  
And the songs that we sing  
For all the laughter  
And the joy that You bring  
Thank you my Lord  
I have nothing to fear  
As long as I have You here  
Beside me

Thank you my Lord  
For the birds in the trees  
Thank you my Lord  
I am down on my knees  
Thank you my Lord  
For the rain and the snow  
There would nothing I know  
Without You

For all the mountains  
That You give us to climb  
For all the valleys  
Yeah I say one more time  
Thank you my Lord  
I have nothing to fear  
As long as I have You here  
Beside me

As long as I have You here  
Beside me
