

What A Difference You've Made

B.J. Thomas

What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh what a difference you've made in my life

What a change you have made in my heart
What a change you have made in my heart
You've replaced all the broken parts
Oh what a change you have made in my heart

Love to me was just a word in a song
And then way over you
But now I join in the singing
'Cause you've shown me love's true meaning
That's why I want to spread the news

What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh what a difference you've made

Oh
What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh what a difference you've made in my life

What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh what a difference you've made

What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh what a difference you've made in my life
