

Wisdom Of A Fool

B.J. Thomas

If you're lucky enough
To have someone who loves you
Then be glad
That you have
Someone who loves you
For lips that are warm
Can grow cool
Listen to the wisdom of a fool

When you take her poor heart
And you do something to it
Then you say to yourself
Why did I do it
You may find that the world can be cruel
Listen to the wisdom of a fool

Now I had a love just the same as you
And I was a fool not to see
But you still have time to say
I love you
I'm afraid it's too late for me

Go back to the arms
That you know will be waiting
Hold her close and be glad
Glad that she's waiting
You'll be happy
Believe me if you
Only listen to the wisdom of a fool
Only listen to the wisdom of a fool
