

# The Hemp Museum

B-Legit

Where me and the homeboys ya know?  
We get together you know what I'm sayin?  
We might uh, shoot some pool, play a little dominoes  
Call a few tenders over

I kick it in the Bay  
You know where I stay  
The V A to the Double L  
The homey flossin in the V-12  
So when you comin' to kick with it  
With the Sick Wid It  
You bring the whole team  
When you hit magazine  
Like the other day a car low from E-P-A  
Came through with some Hennesey and Alize  
I'm on the corner gettin' burnt with the chili mac  
They hit the block in a dark blue ville 'lac  
Wassup wit y'all?  
Nuthin, tryin' to get it jumpin'  
And it's the first can we go to the mall or sumthin'?  
I got to laughin' but now I was pimp the baby(?)  
Lookin' like she want to tongue kiss my Mercedes  
I got a spot where we all can go kick it at  
We got the bomb and y'all got the Cognac  
Don't even trip I got a click and I want you to meet 'em  
Once we make this left we to the Hemp Museum

Grab your sex and your beach  
Hit some corners let's get keyed  
The Hemp Museum  
The Hemp Museum  
Got my drank and my blunt  
Check that bullshit don't be no punk  
The Hemp Museum  
The Hemp Museum

I'm sittin' real low tip toen' the block  
I watch they mouth drop as I hit the lot  
Now peep the plot  
The gates open up slowly got they eyes on it  
Spotizotic 'cuz I spent the M5 on it  
You ladies help y'all self and pour the do it fluid  
While I break down the pound and manicure it  
Al Greens with the Victor Barons got her starin'  
Tryin to get her out here Donna Karan  
Uh...I'm callin all top notches  
Homies with the rolex  
Watches slide through  
Like the thing to do  
We're all players  
No square be allowed in the house of hemp  
We campaigns like the President  
I got four or five dank rooms  
Big screens with playstations  
Wet bar, percolation  
A vacation?  
No, more like the Mardi Gras

With hurricanes and thangs that you ain't ever saw

Grab your sex and your beach  
Hit some corners let's get keyed  
The Hemp Museum

I'm seeing 'stangs in the game of the young stages  
But I'm a hog like the pig on Momma day  
Proked out today was a good day  
A baby Freaknik jumped off in the bay  
I told baby maybe later on we can chill  
And we can meet at the Denny's up at ???ville  
But as for now your playa patna gettin' hot  
And a quarter mile runners linin' up at the light  
They gettin' tight and I got G's off in the Nova  
A big block and I'm hot  
I'm trynna told ya  
Mini mart turned side show  
Tear 'em off no need for the nitro  
I'm known to give it from the gate like every time  
Make the 6-8 skip and walk the line  
I got a dime in the pink if you down to see it  
And we be posted at the Hemp Museum
