

4 Lit

B.o.B

Should be two lit, should be four lit
Pick me up before six
Gutter bitch, with another bitch
We ain't trippin' cause we all hit
Yeah we all with the f**k shit
Yeah we all with the f**k shit
Two lit, should be four lit
We ain't trippin' cause we all here

Ya yo that-that-that's the shit I like
I ain't got no type I can't decide
Girl like girl like girl they can't deny
Gettin' pussy with a side of wine
No it ain't no telling what we might do
When she in a penthouse with a tight view
Reefer got me so, she got my eyes glued
Oh yeah that's my girl and that's our wife too

Lit, she be four lit
Pick me up before six
Gutter bitch, with another bitch
We ain't trippin' cause we all hit
Yeah we all with the f**k shit
Yeah we all with the f**k shit
Two lit, shit be four lit
We ain't trippin' cause we all here
