

# Hourglass

B.o.B

[Hook:]

My baby's got an hourglass  
Wanna know wanna know what time it is  
Turn it over like an hourglass  
Yeah you know, yeah you know, what time it is  
Yeah you know, yeah you know, what time it is  
Work it, work it, baby move, time be stopping when you drop it  
Want you 'round you ticking, tocking  
Know they got me when you clock in  
Put it on, put it on, lay on me girl  
Put it on, put it on, put it on  
Put it on, put it on, lay on me girl  
Put it on, put it on, put it on

Put it on me like sand through an hourglass  
These are the days of our lives, type of girl you try to make her your wife  
Got a trophy I don't play for the league but she can get this recreational D  
, okay  
Go and put your hourglass on my three legged stand, right  
Pussy singing like, Tina back when she first got that advance, 'ight?  
Beat it up like boogie nights, boogie nights

Ooh-ooh, girl won't you give me that sweet sensation  
Ain't nothing wrong with a little temptation

Put it on, put it on, put it on

Put it on, take it off  
Lay it down baby, tablecloth  
Cheers to the good night, make a toast  
You be doin' everything but the most  
Put my hands on the hourglass, grippin' ass  
Rollin' weed, call it multitask  
Niggas multiask like, "What's your number like,  
you look good like, what you doin' later like,  
can I come through and spend some time or..?"

Ooh-ooh, girl won't you give me that sweet sensation  
Ain't nothing wrong with a little temptation
