

# Magic

B.o.B

Hi, my name is Bob, and I approve this message...

I got the magic in me  
Every time I touch that track in turns into Gold  
Every body knows I got the magic in me  
When I hear hit the floor the girls come snapping at me  
Now everybody wants to press the magic  
Magic, magic, magic  
(M M) Magic, magic, magic  
(M M M) Magic, magic, magic  
Ah ooooooo  
I got the magic in me

The trick that I got here will blow your mind  
Pick a verse, any verse I'll hypnotize you with ever line  
I'll need a volunteer how about you with the eyes  
Come on down to the front, sit right here and don't be shy  
I'll have you time traveling, have your mind babbling  
People trying to inherit the skills so they asking me  
Even David Blaine had to go and take some classes in  
I see Mind Freak like what's up man what's happening  
So come one, come all and see the show tonight  
Prepared to be astounded no ghosts or poltergeists  
You know I'm no Pinocchio and never told a lie  
So call me mister magic man I'm float on cloud 9

I got the magic in me (I got the magic, baby)  
Every time I touch that track in turns into Gold (Yes it turns to gold)  
Every body knows I got the magic in me (I got the magic, baby)

Well take a journey into my mind  
You'll see why it's venom my rhyme  
Stay on the road so I call my mama when I got time I hit the stage go insane  
and jump into that crowd  
See, see when I rhyme flow on the beat like put it out there  
See I deceive ya with my intergalactic ether  
I sing just like Aretha, so respect me like I'm Caesar  
I kick it like Addidas, blowing sticky like adhesive Be cautious 'cause what  
I be on will leave you with amnesia  
I break all the rules like Evel Knievel  
It's a spectacular show cause my heart pumps diesel  
So whatever you saying it don't entertain my ego  
I do this ever day Hocus Pocus here's my steelo
