

# Rollercoaster

**B\*Witched**

Today's the day, we're out to play  
And lost our way, it's always the same, oh baby now  
Climbed the trees, swam the seven seas  
We've grazed our knees and no-one's to blame

Come and sit beside us, we'll give you such a thrill  
We're not nice we're cool as ice, we'll give you quite a chill  
Let your imagination take over on this ride  
Out of sight, all right, hold on tight

Come on, come on, get it on  
Riding in our rollercoaster  
Come on, come along, get it on  
Riding in our rollercoaster of love

So don't be shy, you'll soon be high, we'll touch the sky  
You'll never believe oh baby now  
Go round and round, but don't look down, we won't be found  
You'd better believe it

Come and sit beside us, we'll give you such a thrill  
We're not nice we're cool as ice, we'll give you quite a chill  
Let your imagination take over on this ride  
Out of sight, all right, hold on tight

Come on, come on, get it on  
Riding in our rollercoaster  
Come on, come along, get it on  
Riding in our rollercoaster of love

Come on, come on, get it on  
Riding in our rollercoaster  
Come on, come along, get it on  
Riding in our rollercoaster of love

Come on, come on  
Riding in our rollercoaster of love  
Come love  
Come love  
Come love
