

Sabrina She'll Bewitch Ya

B*Witched

(Written by B*Witched, Ray Hedges, Martin Brannigan)

She's got a superstar cat
Who knows where it's at
Get up and raise your hat
She's a spellbound acrobat

So have you seen her?
She's the greatest
For supermagic
Call Sabrina

Here comes the fun now
Are you ready?
Come on, everybody
Get happy

So have you seen her?
She's the greatest
For supermagic
Call Sabrina

You better watch out, she'll bewitch ya
Sabrina
You better watch out, she'll bewitch ya
Sabrina
You better watch out, she'll bewitch ya (ha ha)

She's the greatest

Sabrina
