

We Four Girls

B*Witched

So are you ready to go
Here we go

Come on
We four girls are here to stay
Come on
We four girls, we four girls

So get it
when you got it
Just keep it...good
So you got it
Just use it
And work it good

So are you ready to go
Here we go

Come on
We four girls are here to stay
Come on
We four girls, we four girls

So you want it
Come and get it
Gonna tell you why
Believe it
You can do it
And reach up high

So are you ready to go
Here we go

Come on
We four girls are here to stay
Come on
We four girls, we four girls
