

# Last Boyfriend

B2K

Why you gotta ask me  
Where I been  
Why you gotta talk in  
That accusing tone  
You think tha worst of me  
You always think I'm  
Out doin you wrong  
You gettin on my  
Nerves wit that  
Always stressing me when  
I'm not home  
I really do care for you  
But if you keep on girl  
We won't last long

I'm not your last boyfriend  
Girl, drop that baggage  
I won't have it  
Stop trippin  
I'm not cheatin  
Please believe me  
I'm not your last boyfriend  
Dont talk to me like you talk tohim  
Stop trippin  
Stop yellin' and accusin'  
Cause I'm not him

I really can't take all tha arguin  
Can you talk to me  
Without raising your voice  
Cause I'm not understandin you  
Sounds like you just  
Makin a lot of noise  
I didn't get down with you  
For you to charge me with  
Tha things he did  
Could you please just  
Forget tha past  
Cause I just can't take much more of this

Girl I do love you  
And you know that I do  
But I can't keep on arguin with you  
And you say you've been hurt  
And I know that it's true  
But I can't keep on paying for what  
I didn't do

Yo, yo, yo, yo  
You need to stop comparing  
Cause I don't act like  
Don't look like  
Don't sound like  
I'mma treat you right  
Got a little more to show  
Got more to blow  
Talkin bout more than the one before

That scrub gotcha, gotcha head all  
Messed, up  
Gotcha, gotcha rejectin my love  
Got me, got me in your situation  
Stuck, stop
