She want it all  
And I ain't mad at that  
She likes to floss  
And watch my money stack  
In and out the mall  
Running into every store  
She likes to ball  
Can't help it she want more

Always  
Something  
She be wanting  
Say she loves me  
Know she frontin  
My girl

She got a hold on me (my girl)  
Like you ain't never seen (my girl)  
I give her what she wants  
She gives me what I need (my girl)  
She always  
Be in my pocket deep  
I don't care cause she is my girl  
Cause I can't let her go

[Verse 2:]  
Can't let her go  
Her body's callin me  
Don't care who knows  
Cause she is apart of me  
I'm so caught up  
I know she is wrong for me  
She is what I want  
And dats enough for me

[Hook:]  
Always  
Something  
She be wanting  
Say she loves me  
Know she frontin

[Chorus:]  
She got a hold on me (my girl)  
Like you ain't never seen (my girl)  
I gave her what she wants  
She gives me what I need (my girl)  
She is always  
Be in my pocket deep

I don't care cause she is my girl  
Cause I can't let her go

I can't let her go [8x]

[Rap:]

Hold it down  
I'm 16  
Holding it down  
With Hova' gun  
Until I pass the crown  
Yo back again  
With this red zone sound  
Pandemonium in every single town  
What sold out shows unstoppable flows  
The best of my day  
Watch me do it my way  
The youngest boys that will never be forgotten  
And when it comes to blowing up  
Man it already happen  
Got your hands up  
Keeping your body rockin  
The way Fizz is going  
Ain't no telling when I'm stoppin  
A faced love  
By every single kid  
Its your neighbor bad boy me Lil' Fizz

[Chorus:]

She got a hold on me (my girl)  
Like you ain't never seen (my girl)  
I gave her what she wants  
She gives me what I need (my girl)  
She is always  
Be in my pocket deep  
I don't care cause she is my girl  
Cause I can't let her go
