

Streets Is Callin'

B2K

uh, yea, once again

I've been goin' through somethings (ohhh),
I struggled with my inner man (yea, yea), I hustle, I'll do what I
can to get this money, (uh, yea, listen) I know I promised you somethings
(somethings),
There's gotta be a better way,
It's not easy to make that change,
The streets keep callin' me

Last night tryin' to make it home (make it home),
I get this call on my phone (on my cell),
Stop yellin' Slow down, I can't understand a word you sayin',
Did ya say my nigga got hit? (in the head),
Did ya say he didn't make it? (is he dead),
Please tell me you know who did this, I'm on my way and somebody's go
nna get it
Mash the pettle on the highway-speedin'
Heard my baby in the back ground - pleadin,
Come home and leave it alone -
It's out of the question girl it's on
What about your new born child,
And ya know that he was wild?
I don't wanna hear this shit right now, when they just stretched my n
igga out

By my name sayin' how you gonna get paid,
No education equals minimum wage,
Minimum wage equals minimum pay,
And you know real niggas wanna play,
Won't you come on and move this way,
School don't guarantee a higher pay,
That's the shit that'll get me locked away,
Man they tryin' to give a nigga all day
Now I'm out here everynight comin' in late,
If you slip then I'm comin' for the take,
It's goin' fast and I need to hit the breaks,
The greater the risk the more you make,
All my thoughts are in the clouds, what about just shuttin' down,
But girl I really can't quit right now,
Notice on the door they tryin' to throw us out.

Although (although),
I was raised right (ooooo),
Still these streets aint nothin' nice they can't change the coast of
life,
And you know that i know (i know),
That I must grow (must grow),
See my kids grow,
But still the streets is all I know
