## The One

I'm the one you done heard all the rumors about You vibrate like my Cellie how you movin' around In that new gear fresh off the Lesiango runway Let's go to St. Barts Sunday to Sunday

Your nails done and them braids all twisted If you got a flaw, I guess I just missed it I'm not easy to reach, my digits unlisted Come closer but don't stain with your lipstick

Been around the world, seen so many girls But none have moved me quite the way she does And I've done some things with some ghetto queens It was just for fun but now I think I'm in love

I can't stop thinking 'bout her, she's everywhere that I go Does she know I just can't live without her Whoa, she, she's taking over me I can't control how she turns me on so much Without a single touch

Shorty, you're the one You're the only girl I need Only one I want Only girl that's meant for me Got me open Baby girl, let me know If you wanna go

You're a winner so you gotta be choosy 'Cause you can't love everybody I live my life like a movie Act like you know somebody

Gonna give you what you need, babe Already told you you're the star of the TV There's nothing else you need to know So come on get on board

You're the one I'm diggin' and I guess I'm hoping that You're catching the same feelings Let me know 'cause you're my favorite girl In the whole wide world Yeah you're so fine, I gotta make you mine

Shorty, you're the one You're the only girl I need Only one I want Only girl that's meant for me Got me open Baby girl, let me know If you wanna go

Let me say it again You're the one I'm diggin' and I guess I'm hoping that You're catching the same feelings Let me know 'cause you're my favorite girl In the whole wide world Yeah, you're so fine, I gotta make you mine

Like rocky road my chain be all chunky High School thought that I failed since they flunked me Now I'm in XXL its so funny High Schools double my sales, I'm gettin' money (Get your money, money, money) Like my bunny's pretty with pierced tummy's

Call me Pooh Bear, how I'm baggin' all the honeys They sick to the point that they noses gettin' runny Y'all freeze on the Ave. I recline where it's sunny

Can't stop thinking 'bout her, she's everywhere that I go Does she know I just can't live without her Whoa, she, she's taking over me I can't control how she turns me on so much Without a single touch Bring that part back man

You're the one I'm diggin' and I guess I'm hoping that You're catching the same feelings Let me know 'cause you're my favorite girl In the whole wide world Yeah, you're so fine, I gotta make you mine

Da ...
