Cuase she had it all with me  
But she left  
Now she gotta another man  
And if you still don't understand  
Raz talk to dem  
Let them kno

You was always trippin  
For no reason  
As if something was on your mind  
Then when I asked you what was wrong  
You carried on like we were fine  
Then one day you up and leave  
Like I forced you not to be with me  
You and I both know what's really going on  
That's why we broke up over the phone

Hey girl  
You didn't have to ever leave  
You choose  
To push yourself away from me  
And I know  
You want to see jealousy  
I'm not that man

Can I ask the question why  
We argue over  
Stupid little things  
We ain't together  
Why can't be friends  
Instead of fighting  
Where did we go wrong  
Where did we go wrong

I was your man  
You where my girl  
The relationship lasted to long  
For you to just walk out without a sign  
Tell me where did we go wrong  
I seat thinking were you ever creepin  
Cause you shocked so fast you never known  
What drove me away from you  
Your the crazy one play dumb, play dumb

Hey girl  
You didn't have to ever leave

To push yourself away from me  
And I know  
You want to see jealousy
