

Why I Love You

B2K

From day one you and I've been friends
Hangin out, havin fun, chillin
Now I know at times I got crazy, silly ways and actin shady
You see things in me that noone sees
You hold it down fo shizzy
Now I have friends I thought were true but noone more true than you.
So , what am I gonna do
It took a while for me to see how special you treated me

Maybe thats the reason why I love you.
You're my heart girl
And wit all the crazy things that I do, you're still here girl
Noone else can make me feel like you do
You've shared my world
Baby thats the reason why I love you.

No other girl is quite like you
And noone has my back like you do
Girl you're one of a kind and you blow my mind
And I'm glad to say you're mine
Girl you're the one that changed me from a boy into a man.
yeah, yeah, yeah

Maybe thats the reason why I love you
You're my heart girl,
And with all the crazy things that I do, you're still here girl.
Noone else can make me feel like you do
You've shared my world,
Baby thats the reason why I love you

It took a while for me to see how special you treated me
Maybe thats the reason why I love you,
You're my heart girl ,
And wit all the crazy things that I do, you're still here girl
Noone else can make me feel like you do
You've shared my world
Baby thats the reason why I love you

Maybe thats the reason why I love you
You're my heart girl
And wit all the crazy things that I do , you're still here girl.
No one else can make me feel like you do
You've shared my world ,
Baby thats the reason why I love you

I Love You, maybe thats the reason why I love you.
