

Goodbye Sayonara

B3

You wind me up then you let me go
You turn me on then you tell me no
It's hard to take what you do to me
That ain't the way love's supposed to

Well, right now - gotta tell me
Right here - come, show me
If you want me
Well, tonight - is the time to
Do it right - and show me
That you need me

Goodbye Sayonara, Ciao Girl
Don't want ya
Thought I loved ya, don't need ya.
Goodbye Sayonara, Ciao Girl
Don't want ya
Ain't gonna find me waiting around for you anymore
We're through for sure

You make me wait, keep me hangin' around
You take me high then you bring me down
You say you will then you say you won't
You say you do then you say you don't

Well, right now - gotta tell me
Right here - come, show me
If you want me
Well, tonight - is the time to
Do it right - and show me
That you need me

Goodbye Sayonara, Ciao Girl
Don't want ya
Thought I loved ya, don't need ya.
Goodbye Sayonara, Ciao Girl
Don't want ya
Ain't gonna find me waiting around for you anymore
We're through for sure

I'm tired of all these games
I'm tired of all these fights
I'm tired of being restless
I can't sleep at night
These games you put me through
Ain't gonna work on me anymore
