

Memory Star

B3

yeah, yeah

Strophe:

Give me a reason why you left to me
And when I put my trust in you
Hundred reason why didn't puffer, yeah
Took me under your wings and out of space
But all I need it was your smile in face

Refrain:

Now you're my memory star
Show me in places it's seem so far
Keep in you're distance
Do you know
Who you are
you're my memory star

Na na na na na na.....

Strophe:

When I look into my eyes begin to cry
Can you see my tears up in the sky

Refrain 2x:

Now you're my memory star
Show me in places it's seem so far
Keep in you're distance
Do you know
Who you are
you're my memory star

Strophe:

You want to me expier
You're love is like is to me
You told me how to dream, Oh
You told me how can dreamed
dreamed, dreamed,.....

Refrain 2x:

Now you're my memory star
Show me in places it's seem so far
Keep in you're distance
Do you know
Who you are
you're my memory star

Na na na na na ...

Good bye my memory star
