

# Move Your Body

B3

Ooooh?

Whoa whoa

(yeah - yeah)

Yeah yeah!

verse 1:

sometimes you lose sometimes you win

But no matter what you don't give in

If you shall fall just dust yourself off

And you just get up and try again.

bridge:

you can do anything

Just put your mind to it

oooh?

chorus:

everybody say

Whoa whoa

Move your body

Yeah yeah

Stretch your mind

If you wanna come along and join the fun

It's a celebration

If you wanna come along then sing this song

Everybody sing along

Whoa whoa

Move your body

Yeah yeah

Stretch your mind

verse 2:

get up on your feet (on your feet)

And out in the streets

This is a celebration

Put your body and mind (your mind)

At the same time

This is an invitation

bridge:

we can do anything

Just put our minds to it

oooh?

the moment is here and now's the time

To change your ways

I know you'll find a better day
