Nobody gets too much heaven no more It's much harder to come by I'm waiting in line
Nobody gets too much love anymore It's as high as a mountain
And harder to climb

Oh you and me girl
Got a lot of love in store
And it flows through you
And it flows through me
And I love you so much more
Then my life I can see beyond forever
Ev'rything we are, will never die
Loving's such a beautiful thing
Oh you make my world a summer day
Are you just a dream to fade away

Chorus...

You and me girl got a highway to the sky

We can turn away from the night and day

And the tears you had to cry

You're my life..

I can see a new tomorrow
Ev'rything we are, will never die
Loving's such a beautiful thing
When you are to me, the light above
Made for all to see our presious love

Chorus...

Loving's such a beautiful thing You make my world a summer day Are you just a dream to fade away

Chorus...

Nobody gets too much love anymore It's as wide as a river and harder to cross
