

Back In Your Arms

B5

[Bryan]

Can it be I stayed away too long

Did I leave your mind when I was gone [Repeat]

[Verse 1]

Girl, never meant to say good-bye

Never meant to make you cry

But it wasn't my fault

I'll do everything I can

To be a better man

So look into my heart and know

[Chorus]

I won't be cool

'Til I'm back in your arms

Girl I need you

Want to be back in your arms

[Verse 2]

I hope to get another chance

A chance to be ya man

Cause I missed you so much

Don't let another take my place

Our love can't be erased

So look into your heart and know

[Chorus]

I won't be cool

'Til I'm back in your arms

Girl I need you

Want to be back in your arms

[Repeat]

[Verse 3]

You are my number 1

The only one I love

The only one that makes my dreams come true

Come back to me

Forget about the past

I wanna make it last forever

[Chorus]

I won't be cool

'Til I'm back in your arms

Girl I need you

Want to be back in your arms

[Repeat until fade]
