

# Lady

Babe Ruth

Mama don't ya worry  
Bout a little time that we had  
Baheh in a hurry  
T'make our good thing last  
Hey my brother stop telling me  
About where I'm at and I'm supposed to be  
So rap on

Maybe better move on  
Down to try and coax her back  
And maybe she found another cat  
And that ain't where it's at  
Oh God woncha tell me what  
I can say T'bring dat lady back to stay

Lady woncha bring it on home  
Your love after a while  
Love don't be shy

Papa I'm a cryin  
What more can I do  
Mama I ain't lyin  
If I lose her I am through  
Hey my on I gotta get it together  
A cable. gram or a word or a letter  
Rap on

Mama is that the mailman  
What's that cable say  
Sonny she's a comin'  
Comin' home to stay  
Hey my brother gonna shout about it  
Hey my mama gonna scream about it

Lady is a bringin on home  
Her love after a while  
She ain't gonna be shy
