

Blue Valiant

Babes in Toyland

I feel on fire
Like i never have before
Your baby's tired
He's licking at my floor
I'll open my...
Myopia for you
Cold final hour
My love is in a-muse

I can hear you crying
If you want i'll watch you die
We could be surviving
And the time would pass us by

Retina scryer
She (w)rote it in a moor
Blue valiant power
Your valor in a-chord
I'll open my...
Myopia for you
(el)l's only tower
Your sulfur in a fuse

I can hear you crying
If you want
I'll watch you die
We could be surviving
And the time would
Pass us by...
