

## Blue Valiant

## Babes in Toyland

I feel on fire  
Like i never have before  
Your baby's tired  
He's licking at my floor  
I'll open my...  
Myopia for you  
Cold final hour  
My love is in a-muse

I can hear you crying  
If you want i'll watch you die  
We could be surviving  
And the time would pass us by

Retina scryer  
She (w)rote it in a moor  
Blue valiant power  
Your valor in a-chord  
I'll open my...  
Myopia for you  
(el)l's only tower  
Your sulfur in a fuse

I can hear you crying  
If you want  
I'll watch you die  
We could be surviving  
And the time would  
Pass us by...
