

Shake this ground well of hate  
This is why I rot away  
This is why I rot away today  
Cause you wear this mistake that you make  
That mostly that you make  
I said why?  
Why?  
Why?  
You have to try  
Shake  
Should you shake well of hate  
This is why I rot away  
Call this kettle black  
This is why I ricochet  
Jack he built his house on sand  
And mud slides  
I said why?  
Why?  
Why?  
You have to try  
Quake  
Shake shake with hate  
This is why I rot away today
