

He's My Thing

Babes in Toyland

He's my thing
He's my thing,
Stay away from my thing,
Get your own thing
He's my thing
I keep for myself
He's my thing
I keep for myself

And nobody else
Walks around in
Her boyfriend's clothes
Nobody knows where
She goes she goes
He's my thing
I keep on a hook
Keep on a hook
He's my THANG
