

## Killer On The Road

## Babes in Toyland

When I saw the sign, it was the first day  
Heading south to the north  
I went the long way I came back  
What's left you left me I left you  
You-turns constantly  
No stopping no stopping no stopping now

How many  
How many killer on the road

I see the way home, the exit's closed now  
Objects are closer than they appear  
The sun is in my eyes and though I can't see you  
If I don't see you anymore I'd be O.K.  
No stopping no stopping no stopping now

How many  
How many killer on the road

Punch up your little punching bags  
How'd you like it up your ass?  
Little man little man with a plan  
How you gonna knock their lights out?  
Little man little man in a van  
You've got a flat tire now watch out  
Little man little man with a tan  
How many have you had about?  
Punch up your little punching bags  
How'd you like it up your ass?  
Little man little man with a plan  
How many have you had  
How many have you had about?
