

## Never

## Babes in Toyland

Blind your mind  
So tears will melt  
Numb the place  
Where pain is  
Well never  
No never  
Well never  
Take a bow  
Before you fall  
See you crawl  
Never  
No never  
Well never  
Gutter saint  
Save my life  
Too much time  
Yeah this is mine  
Well I never  
No never  
Well I never  
Take a bow  
Before you fall  
See you crawl  
I see you crawl  
See you crawl  
Well I never  
No never  
Well I never
