

Never

Babes in Toyland

Blind your mind
So tears will melt
Numb the place
Where pain is
Well never
No never
Well never
Take a bow
Before you fall
See you crawl
Never
No never
Well never
Gutter saint
Save my life
Too much time
Yeah this is mine
Well I never
No never
Well I never
Take a bow
Before you fall
See you crawl
I see you crawl
See you crawl
Well I never
No never
Well I never
