

Pain In My Heart

Babes in Toyland

Why?
Why did you leave me
When I was still inside of you
You search every sky
But all the stars are inside of me
Well I said why did you leave me
When I was still inside of you
Who are you fooling
You're transparent to me
Go inside now
Why did you leave me
Go inside my darling
You're guise has fallen
Fry
Fucking fry
Fucking fry
Fucking fry
Fucking
My blue boyfriend
Why
Why did you leave me
When I was still inside of you
Well I said
Fry
Fucking fry
Fucking
My blue boyfriend
Believe me
I'm still inside of you
Who are you fooling
Well I said
Why did you leave me
When I was still inside of you
Why?
