

You're Right

Babes in Toyland

Desperate digging for conviction
Harbouring a false shame
Desperate digging for conviction
Harbouring a false shame
Well I guess you're right
Well I guess you're right
You said you're right, right?
I guess you're right
Well I guess you're right
You're right, alright
Suffering on the house that jack built
On a foundation of mud slides
Suffering on the house that jack built
On a foundation of mud slides
Well I guess he's right
Well I guess he's right
Well I guess he's right, right?
He's always right
Well I guess you win
You're right, alright
Why is it you're always right
Right
Well I guess you're right
