

Be my friend

Baby Animals

All I need is a friend
Someone to give me a helping hand
When I'm afraid in the night
Someone to squeeze me
And tell me it's alright

Baby baby be my friend
Baby baby be my friend

You know I worry such a lot
And I would give all I got
Just to have someone believe in me

Baby baby be my friend
Baby baby be my friend
Baby baby be my friend
I will love you to the very end

You make me feel a stronger love
Than anyone I've ever known
Oh I need someone like you
You give me something so strong and true

Baby baby be my friend
Baby baby be my friend
Baby baby be my friend
I will love you to the very end

Baby baby be my friend
Baby baby till the very end
Oh baby baby be my friend
Baby baby be my friend
