

Who Wit Me

Baby Bash

What is it

Move it up
Drink it up
Roll it up
Shake it up

Money, sex, acohol
Shopping sprees at the mall
Who wit' me
Who who who wit' me
Who who
Mink coats, rabbit fers
Anything that she perfers
Who wit' me
Who who
Who wit' me
Who who
Candy thangs switching lanes
Kron grills and wood brains
Who wit' me
Who who
Who wit' me
Who who
Love peace chicken grease
In the club or in the streets
Who wit' me
Who who
Who wit' me
Who who

You must be dumb or blind
If you cant see my kind
Sharp as a porkupine
We off the party line
Im so electrified
Im so electrified
Im so Im so electrified

You know theres nutin to it
Where the hekll you goin stupit
We off them trees honey bee
With that duel fluid
Across the riva
Above the clouds
Its where you find me wit ma people
What im talkin bout

Heavens the mother troad
Clovers and blue dimounds
I don't know what the hell im sayin but im still rhymein
And im so ultrafly
Ultramagneticfly
This vodka wit this red bulls got me energized

U-G-L-Y
You aint got no alaby

You ugly
OHHH
You ugly

Let me see you sweat
Let me see you drip
Yeah

U-G-L-Y
You aint got no alaby
You ugly
OHHH
You ugly

[chorus]
