

# Unloveable

Babybird

1. I've tried And you've tried You've cried And I've cried  
I've lied And you've lied Together we've died  
But sometimes  
Sometimes it gotta stop

2. I'm cold when you're cold I'm warm when you're warm  
We were friends We're still friends  
That's all That's all  
That's all

R: You can't love me I'm unlovable  
But baby you could try

2. It's all good, it's not bad It's all smiles, it's not sad  
There's just time to stop love  
Love's gone, move on life's long

R: You can't love me...

3. Love's so sweet it suffocates us Like a sickly kindly gag  
And we're floating down the sewer pipe Like kittens in a bag  
And the mirror screams to both of us That we are not alone  
Then the metaphors explode And suddenly we're home

R: You can't love me... (2x)
