

## A Bit Old-Fashioned

Babyface

I believe that a woman  
Is the most precious thing on earth  
And I'll do anything  
And I do mean anything  
To stop my baby  
From ever being hurt

Well it might seem kinda crazy to ya  
Somewhat outta style

I'm just a bit old-fashioned  
And I can't help  
Livin' that way  
I'm just a bit old-fashioned  
And I can't help  
Livin' that way

I'll go and work  
My fingers to the bone  
And I'll work overtime  
So she can have a home  
And I'll do anything  
And I do mean anything  
Don't want my baby  
To hurt for a thing

Well that might sound kinda crazy to ya  
Somewhat outta style

Oh baby  
That's the only way that I'll ever be  
Forever dedicated to thee  
One girl is all I ever will need  
Loving you forever indeed  
My whole damn life is you  
And I would die for you  
I might sound crazy  
But the only thing important is you  
I love you
