

# I Said I Love You

Babyface

Baby Come To Me  
I will chase your tears away  
Put your trust in me  
Girl I swear I'll never change  
Darling you will see  
That my love is here to stay  
I promise you, I will be true  
From here and now, forever girl I

I said I love you  
I said I care  
When I tell you I love you  
It means I always will be there  
I'll never leave you  
I ain't goin' nowhere  
When I tell you I love you  
Cross my heart I will be there

Open up your heart  
Don't be afraid to love again  
We can take it slow  
You should know I understand  
Baby take your time  
And I don't care how long it takes  
'Cause I promise you, I'm here for you  
From here and now, forever girl I

And I will be there  
(And I will be there for you)  
Forever sincere to you  
(Girl I'll always care for you)  
I just wanna share my life with you  
Right here, right now, forever girl I
