

# Never Keeping Secrets

Babyface

I never meant to lie to you  
But I needed me an easy way out  
I couldn't face the truth with you  
Because I didn't want to lose my clout  
I always have been good to you  
Girl I promise you that nothing has changed  
Momentary insanity  
Must be the reason why I did you that way

So now I'm telling everybody  
That I know I was a fool  
To take a chance of losing  
And girl I can't take losing you

So I'm  
Never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No I'm  
Never keeping secrets  
Girl I swear it's all behind  
I only wanna be with you

I didn't want to lie to you  
But I didn't want to let you down  
It never did occur to me  
Sooner or later that you would find out  
You know how much I care for you  
And I would never want to cause you pain  
I know that there is no excuse  
How could I ever treat my baby that way

That's why I'm telling everybody  
That I know I was a fool  
But I don't give a damn about it  
'Cause I wanna get back wit you

If you wanna go  
I want you to know  
Girl that I understand it  
But I don't recommended it  
'Cause I love you more  
I know you can't ignore  
That I will die for you  
And lay down my life for you  
Girl I wanna see  
You standing next to me  
Girl I apologize  
For each and every lie  
I want you to be  
The only one for me  
Forever and ever and ever and ever and ever
