

Not Going Nowhere

Babyface

I heard from your mom that you cried out last night
For a certain someone to turn on the lights you found
That someone was not by your side and mom had to wipe
Away your tears you asked her why dad isn't here she starts
To tell you dads working late you say how come every day
Of the week and she answers you with go back to sleep
Your heart tells you something has changed why they've
Been acting so strange...

Well i'm here to tell you you don't have to fear cause
Your daddy loves you i'm not going nowhere and i won't
Give you up and not goin' to walk away comes to you
And i nothings going to change i'm here to tell you
You don't have to be scared
I'm not going nowhere...

Its true that i live in a whole different house but that
Doesn't mean i won't come around i'm still the best friends
With your mom have no doubt we'll still make time to
Hang out i promise i won't let you down

I've got a room with your name on the door your favorite
Things you could ever ask for then best of all if you cry
Out at night i'll be the one by your side someone to help dry y
our eyes

Well i'm here to tell you you don't have to fear cause
Your daddy loves you i'm not goin' nowhere i wont give
You up not goin' walk away when it comes to you and i
Nothings going to change i'm here to tell you you don't
Have to be scared cause i'm not going noo... i'm not going nowh
ere

I know you feel a little scared i know you think its not fair
And you think its all your fault but its not i swear if it wasn
t
For you then things could never be so cool so i thank you
For being the one in my life cause you showed
The both of us we did something right...

Well i'm here to tell you
You don't have to fear
Cause your daddy loves your daddy loves you
I'm not going anywhere i'm here to tell you you don't have to f
ear...
