

## Not Going Nowhere

Babyface

I heard from your mom that you cried out last night  
For a certain someone to turn on the lights you found  
That someone was not by your side and mom had to wipe  
Away your tears you asked her why dad isn't here she starts  
To tell you dads working late you say how come every day  
Of the week and she answers you with go back to sleep  
Your heart tells you something has changed why they've  
Been acting so strange...

Well i'm here to tell you you don't have to fear cause  
Your daddy loves you i'm not going nowhere and i won't  
Give you up and not goin' to walk away comes to you  
And i nothings going to change i'm here to tell you  
You don't have to be scared  
I'm not going nowhere...

Its true that i live in a whole different house but that  
Doesn't mean i won't come around i'm still the best friends  
With your mom have no doubt we'll still make time to  
Hang out i promise i won't let you down

I've got a room with your name on the door your favorite  
Things you could ever ask for then best of all if you cry  
Out at night i'll be the one by your side someone to help dry y  
our eyes

Well i'm here to tell you you don't have to fear cause  
Your daddy loves you i'm not goin' nowhere i wont give  
You up not goin' walk away when it comes to you and i  
Nothings going to change i'm here to tell you you don't  
Have to be scared cause i'm not going noo... i'm not going nowh

And you think its all your fault but its not i swear if it wasn

For being the one in my life cause you showed  
The both of us we did something right...
