When Can I See You

When can my heart beat again When does the pain ever end When do the tears stop from running over When does you'll get over it begin

I hear what you're sayin' But I swear that it's not making sense So when can I see you

When can I see you again When can my heart beat again When can I see you again And when can I breathe once again And when can I see you again

When does my someday begin When I'll find someone again And what if I still am not truly over What am I supposed to do then

Please hear what I'm sayin' Even if, if it's not making sense So when can I see you

When can I see you again When can my heart beat again When can I see you again And when can I breathe once again And when can I see you again

Please hear what I'm sayin' Even if, if it's not making sense So when can I see you

(2x):
When can I see you again
When can my heart beat again
When can I see you again
And when can I breathe once again
And when can I see you again
