

You Were There

Babyface

Time passes, the world changes
But I'm still the same ole' kid
And your jokes still bring me laughter
As if you still were here
And it hurts
When I smile
'Cause my heart still remembers
When you were around

'Cause you were there
When no one was
Just when I thought nobody cared
You showed me love
'Cause you were my friend
You always told me
And I am still here
Because you were there

So precious, small treasures
A time when truth was innocent
True friendship, was all we were after
A place where kids could still be kids
And it hurts
But I'm glad
'Cause at least I was blessed
To have you as my friend

You're my best friend
There are no accidents
God has a plan for everyone
And he brought you in my life
To show me what a good friendship was
