Time passes, the world changes
But I'm still the same ole' kid
And your jokes still bring me laughter
As if you still were here
And it hurts
When I smile
'Cause my heart still remembers
When you were around

'Cause you were there
When no one was
Just when I thought nobody cared
You showed me love
'Cause you were my friend
You always told me
And I am still here
Because you were there

So precious, small treasures
A time when truth was innocent
True friendship, was all we were after
A place where kids could still be kids
And it hurts
But I'm glad
'Cause at least I was blessed
To have you as my friend

You're my best friend
There are no accidents
God has a plan for everyone
And he brought you in my life
To show me what a good friendship was
